SAFETYAPPLIED® STANDARD FIRST AID KIT

SafetyApplied® Standard First Aid Kit

Size: 18" x 9" x 4.5"

Standard Kit **1131936**

Wall-mountable for ease of access, the SafetyApplied Standard First Aid Kit by DayMark, ideal for employee kitchens and breakrooms, features an innovative 'door-in-door' compartment that provides instant access to basic supplies for common cuts, abrasions and burns. The kit's internal compartments also feature theft-detering locking tabs and a built-in planogram, ensuring first aid supplies stay in place and properly organized. Convenient refill packages are available in seven bundles, each of which contains multiple items to reduce the hassle of maintaining individual SKUs.
